“ Hi Aunt Betty.

I wanted to let you know I was thinking about you. I love you and you have meant so much to me. Your love and your care that you have continued to show me and my kids even after all the ugliness that went on in our lives. Remember I am holding you up in my prayers and I am hugging you right at this moment. You will miss your love and your best friend but you will find comfort in your family and all those around you.
