“ Rhonda,
I am so sorry. I just don't know what to say right now. I just found out today and I still can't believe it. Joe was so thoughtful, funny and selfless. You the girls and your grandkids was the topic of many of our "driveway talks". When we moved in next to you, Joe was the first person to speak to us and make us feel welcomed to the neighborhood. My heart goes out to you and your family. I will pray for you and your family When Joe passed, the world lost a great man. Joe, thank you for being my friend. I will miss you always.

“ Rhonda,
I was saddened to hear of Joe's passing. It was so nice to get re-acquainted with him and meet you last fall and talk about the Loftin family history. I was hoping for more opportunities to get together with you guys and get to know you better. We've been praying for you through these last few difficult months and now especially as you mourn his passing. Our deepest sympathy to you and the family.

“ We have known Joseph and Rhonda and most of the family for years now. This family has been through so much in the past few years. Joseph was always seen taking care of everyone. A family man he was, a great man he was. Everyone at Dr marcs office will miss him deeply. We will miss his laughter his teasing of Nikki.His personality and his laughter. Joe touched many people with his gentle soul. He loved his family and wife with all he had and that was a lot. The last time we saw Joe and Rhonda was just a few months ago, we hugged and cried together in our lobby. Rhonda please know we are here for you if you need anything. Hugs and prayers go out to you and your family.

“ Rhonda and family, there are no words. Joe brought such energy and life into McGrath everyday and my life is better for having been a part of that. I know he is sitting with God and filling him in on the antics of his grandkids. No matter what, that man loved his girls and grandkids. God bless and keep each and everyone of you as you begin this new phase of your lives. Joe will be missed.
