“ *Joyce came to Daybreak fro about 8 years and was loved by all . She was always kind and considerate of others and eager to take them under her wings. I am sure that her wings will continue to grow as she reunites with those special people gone before her. She will be missed at Daybreak. Shine bright my dear friend.*

*I had the joy, priviledge and honor of transporting your mother on the Lenawee Transportation bus and serving her on the weekend when she came into Applebees. She was such an inspiration to me, full of spirit and love. The bus drivers will all miss her and the constant plea to "stay longer" at daybreak and her excitement in carrying the baggie of carrots in her purse that she would feed the dogs at daybreak. Prayers and comfort of her beloved family and friends.*

“*Mom Hall, you are one of the kindest, caring, forgiving people I have ever met, and I'm so thankful to have you in my life. We had a lot of fun times together over the years and you always made me laugh-I could never beat you at cards and there wasn't a time I saw you when you didn't tell me how nice I looked...I remember when I took you for a manicure and pedicure and you told me that you were sure they would run the other way when they saw your feet!! You gave me the greatest gift, your son Mark and I thank you for that....You may have left this world but you will never leave our hearts and plus, I know you will be looking over us and giving Mark a little chiding from time to time...*

*Your loving daughter-in-law,*

“ I didn't get to spend a ton of time with Grandma Hall but there is one fond memory I recollect of grandma hall from a couple years ago. There was a bunch of family up north at the cabin for a "getaway" weekend. We were all having laughs throughout the first night there and I remember later in the night, we went to reminisce around the bonfire outside. I made a cheers to Grandma Hall among the many stars that were out that night. She had grinned from ear to ear and said thank you, laughing of course. Grandma Hall always jokes and wants to have a good time. She is a person you want around and she loves to be around family. I could tell she loved her family very much and would do anything for them. I am glad she is resting peacefully but she will be missed dearly by all. Love you always and forever Grandma Hall.
