“ I will miss seeing you for Carley and Evans birthday dinners. You were a very special person. Thank you for always treating Carley as if she was your blood grand-daughter. That meant so much to her and I. We love you and will miss you.

“ I will surely miss Joyce's smile and her positive outlook. She will forever remain my idol and I will never forget her bouncing on my trampoline or walking a board while doing her Physical Therapy.

Thanks!! You meant so much to her. She missed you too. She wanted to get back into physical therapy not for the therapy but for the companionship she had with you.

“ Grandma, I love you and miss you tremendously. You taught me so much in our lives together. I only hope I can be half the person you were. I feel I have an empty space in my heart now and want you back here with me, but that is me being selfish. I know dad and grandpa were sure happy to see you after all this time. Enjoy your peace, you most definitely deserve it! I will never forget you and always miss you!!

*Love,
Dan*

“ Joyce was part of my family since the 1940's when she was friends with my mom and their 2 boys, Dale and Chan, played together! Then she and my mom (Ginny) played matchmaker to their siblings, Marian and Earl!

Joyce helped me a great deal in the last three years as my brother suffered and passed away from cancer. She loved us, and we loved her.

She taught me about accepting things that can't be changed, and she maintained a sense of humor.

My admiration to her grandson Dan for the way he loved her and took care of her. Dan, she really appreciated it, and Sue as well.

May she rest in peace and bliss!
