“ *Aunt Juanita always made me feel like one of her own. I'd go to her house and stay over quite often. Tonya and I were more than cousins, we were more like twins (born a month apart). Aunt Juanita was a classy lady, always knew how to carry herself. Say "Hello" to Mamo & Papo* ❤️🙏

Wish she could have been my mother. Loved my time at your house as a child, and fun times with my cousins. Visiting with your family was the highlight of my life. And our walks along Williams Creek. My life would have been so much better if you would have taken me when I was born. I know your in heaven with Mamaw. Give her a hug for me. Love, Bubba
