She enjoyed her book club, golfing, playing cards, flower gardening, and traveling; having taken numerous trips with Ollie’s group for over twenty years. Judy was a member of Tau Delta Sorority and PEO. She attended Tipton Community Church and was a former member of the First United Methodist Church.

Survivors include her loving children, James (Barbara) Waters of Adrian, Brent (Kelly) Waters of San Diego, CA, Greg (Christine) Waters of Yakima, WA,

“ To the Waters family,

*I have so many fond memories of all of you throughout my earlier life. Greg in particular, as he was stuck with me from 6th grade on due to the ridiculous practice of doing everything alphabetically, Wakefield/Waters. We sat together through just about everything and even managed to make Winter Homecoming Court together our Senior year...haha.*

*What a wonderful mother you had, she had a smile on her face EVERY time I saw her. She was the type of person that managed to make you feel special in the short time you saw her even if years had passed between your quick visits together out and about in Adrian. She was a gem and surely will be missed by many.*

*I was so sad I was not able to attend her service to see all of you with my Mom, my job has challenging hours at times. Please know my thoughts and prayers are with you during this difficult time, losing a parent is tough no matter how old you are.*

*My best to each and everyone of you, and thanks for all the great memories.*

“ What a perfect photo to tell the world what a good-natured, kind, generous, giving person that she has always been. She's up in heaven gathering a whole list of new friends. I just know that my Kreuz clan of Al, Gary, and Mike are right in line to meet her. Although Judy was a member at Lenawee Country Club, the difficulty and challenge of the course was a wee bit frightening to her.....but together we conquered the front 9 a bunch of times, just the two of us together.

It was later that I discovered her son Greg was connected with Gary Gray's Physical Therapy....where my son, Gary Kreuz, was also employed. What a network of wonderful friends! And then my daughter, Laurie, was enticed to join Greg our west in Yakima, WA. Hugs to all Judy's family, or even "elbow bumps" if the corona virus won't allow us our 1st choice. Char Kreuz....sometimes referred to as a Wolverine fan!

“ Jim, Brent, Greg, Deborah, Denise, and families,

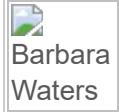

*Ron and I are so very sorry to hear about your mom. We both knew your mom through you kids. Whether it was an elementary program at Garfield or Lincoln, middle school football games for Springbrook or Ron asking you boys to come back and help in the press box for the Annual Springbrook vs Drager game, Judy was a presence. I saw and visited with her last at a Croswell production and her smile was warm, bright, and sincere - just like always. She was so proud of all of you and we know that you'll feel the loss for a very long time. Just know that she lives on in each of you.*

*If our country wasn't fighting the coronavirus, we would be at the service for her. Please know that you have our sympathy and prayers,*

“ My condolences to Judy’s children and all close to her. She was such a caring person and gave of herself to so many people and organizations. She was a giver and so sincere and full of happiness and life! She is someone to aspire to. I remember going to dinner with her and my son’s. Judy always included my mother as well and we always had a good time catching up and laughing. She will be missed. I offer my deepest sympathy and know she is fondly thought of by me and my son’s Michael and Joshua Calamungi. May your many memories comfort you during this sad time.

“ I have known Judy for many years through our church. In the past 2 years I have come to know her even better through an organization we belonged to. Just after the New Year she shared w/us that she had cancer and a short time to live. She was not asking for our sympathy or our pity. She was really a child of God and was anticipating death to be a joyful experience. Not that she was looking forward to it but she did not fear death. She lived a life full of grace, generosity and was a friend to so many. Her spirit was joyful until the very end. We will miss her terribly.

*My condolences to Jim, Brent, Greg, Deborah, Denise, and to the family and friend of Mrs. C. She was one of those amazing people who always made one feel seen -- she always asked about things she remembered, she always shared her smile. She somehow gave, even when sometimes she must have felt in need of the boost herself. My mother will miss her dear friend. Do take care to share the laughter and the tears, not just now, but in years to come. My best wished to you all.*
