“ We were so sorry to hear of Judy's passing. Judy was a very caring, compassionate person who loved her cats and her clients at ACPC. She had a quick sense of humor and I can remember her telling us one morning at work about what she thought was her cat who had come in thru the pet door but was actually a racoon. We all got a great laugh from that. Our thoughts and prayers are with her family.

“ I am so sorry for the loss of your sister. As I was reading the obituary it was bringing back memories of us having fun at the lake. Going to the Pavilion, driving our aluminum boats and doing many other things together. Every time I drive into Cherry Pt and go by the old family cottage a smile comes to face. Sending warm hugs your way
