“ *I knew this kind lady, she came through my line at Walgreens, I wasn't sure of her name. But she was tickled to know that I had a Dachshund....and that I knew how to pronounce it. Although, I'm not at Walgreens anymore, I still thought about her and wished that I could of talk Dachshund with her again! It was a pleasure knowing Karen! Remember you memories. My thoughts are with you and your Families.*

“ *It would take me hours to write all of the amazing this this woman, my grandmother, has accomplished in her lifetime. Anyone who has been blessed by her presence knows how greatly she cared for each and every person she encountered. A true warrior in God's army, she was Spirit-filled and Spirit-led in everything she set forth to complete. From her work with the Christian Mission, to leading her own ministry, speaking at Christian conferences, counseling, and sharing God's word, among many other things, her goal was for His presence to be felt through her warmth and her love; and it was. She was a beloved mother, grandmother and great-grandmother - the heart of her family - and she never stopped being actively supportive of each and every one of us. Her presence here on earth will be dearly missed, but the impact she made on our hearts will last forever. I rejoice in the achievement of her ultimate goal - to be living life eternally at Home with the Lord.*
