“ *Albert & family,*
We were astonished to hear of Karilyn's passing. Thankfully Julie Jarrett sent us the obituary, which was kind of her to think of us, after losing Chuck. We share your grief in remembering a very gentle & kind soul. Working alongside her in the Petersburg, Mich. post office was a great experience, & when she accepted the appointment, as my replacement, she was welcomed by all. In attending postmaster events together, we shared not only knowledge but life experiences as well, enjoying the friendship that only those of us in the service could do. We were blessed with her pleasant & endearing smile, that was always there for all she knew, to share.

Living in Florida does not give us the opportunity to attend her services, but we are there in spirit, as she knows we will be. Along with you, your son & his family as well as her parents are all in our thoughts, with warmest regards & sympathy. Her passing is our loss, but heavens gain!! She smiles upon us, forever now.

God Bless You... Sharon & Jerry Lane

I will always remember Karilyn's laughter and smile. She made many classes in high school much brighter just by walking in the room.
