“ The last time we texted was on your birthday, the last time we spoke was two days later. You were so upbeat and with Ronnie, and happy that your relationship was going well. I'm so glad you were happy, and I will always think of you as a good friend first, and a sister-in-law in the future. You died two days later on the anniversary of Raymond's death. You broke our hearts when you left so soon but we are confident in the knowledge that we will see you again. Love and many prayers. Marsha
