“ *Joy, you are the girl we always prayed Keith would find! From the time we sneaked him on his first date, to the IFCA National Youth Talent award, to visiting him in Vegas, to finally meeting the girl of his dreams - we go back lots of years with your hubby. We've prayed over him many, many times - and now our prayers are realized. Keith beholds the face of Jesus, and he is healed and whole! Our prayers now are for you - that you will feel Keith's love always, and know that God is your interim Husband until we meet all together again. You brought him the peace and love he had always longed for in another person. May God bless you with the knowledge of the blessing you were to Keith, and as a result, to the rest of us. We love you!*

“ I can't believe I am writing this ..it just doesn't seem real...and don't know when it will seem real...Joy waited a long timeto marry the right man..and we are glad she picked you...You made her a very happy woman and though it was for a short time...there are so many memories to share. We know you fought a good battle, but now you are in God's hands...resting in Heavenly peace...We will meet again, but until that time we will make sure Joy is taken care of....You both have so, so many friends and I know each and every one of them will watch over her too...You WILL be missed..Rest in Peace Keith.

Love Claude and Jo
