“ I've known KJ since he was a little guy. He was like my little brother. Ove the past years we didn't spend a whole lot of time together but the last time wasn't to long ago when we worked on the Blissfield liquor store together. We had a blast laughing and sharing our old stories together. He was a good kid and a good man. You don't find people like him often in life and I'm very saddened to find this out. I love you KJ.

Man we was all so close as cousin growing up. Even through school I remember this one time he was having an asthma attack an just kept yelling for me so I ran to him and got him help. I been besting myself up so bad cus he had been calling me and I just thought I had more time I was suppose to pick him up that Monday. We just talked Saturday night he told me he loved me and I didn't say it back. I been crying for days. KJ I didn't believe it I didn't want to I tried to prove u wasn't gone. I just wish I would of went and got him all he wanted was to be with family and I wasn't there for him and that hurts me so bad. 💔 I wish I had service on my phone so I could of answered his last call to me.
