“ *Sorry to hear about Larry's passing, I have great memories of him condolences to the family. Larry was a very good Baseball player "second baseman and great hitter" that I had the privilage of playing with in High School I will always remember those championship years. Our trip together to Tigertown back in 1960 was a fun time, he was a good man.*

“ It was great pleasure for us to have known Larry. We had the opportunity to know him as a business associate that developed into a treasured friendship. We always looked forward to our conversations together that included but not limited to things such as story swapping and tips on farming. We are also grateful for the knowledge and guidance he gave us regarding the Riga community. Our years of knowing him will be treasured in our memory. We are very saddened by his death and will miss him.

*Best wishes to his loved ones,

“ We are so sorry for the passing of Larry. Gary and I are very appreciative for all that he did for us, and the friendship that developed between Larry & Gary in the short few years we knew him. Gary fondly remembers the 7:20 am daily phone calls from Larry, and is already missing them. He would call Gary, then abruptly end the call at 7:30 when he would get a call from Lisa or Leann. The memories he has of the time spent with Larry he will treasure. A true friendship that he will miss, but remember fondly. Our thoughts and prayers are with Larry's family in this difficult time.
