

Larry Norman Reaume

June 7, 1956 - January 4, 2026

ONSTED- Larry Norman Reaume, age 69, of Onsted, Michigan, passed away peacefully on Sunday, January 4, 2026, at the Hospice of Lenawee Home following a short illness.

Larry was born on June 7, 1956, in Detroit, MI. His parents, Norman and Lillian (Adams) Reaume were pleasantly surprised when Larry was born as he completed their family with his five older sisters waiting at home, ready to meet him. He graduated from Fordson High School in Dearborn, with the Class of 1974

On October 12, 1985, Larry married Belinda Stone and for the next 40 years they made a great team. Larry was a man of many talents, whether it was a plumbing or electrical project, he wasn't afraid to tackle the job. His dependable assistant, Belinda, was right beside him, always willing to help. Larry was a skilled carpenter and owned Chestnut Hill Cabinetry for many years. He was precise and detailed oriented on all the projects he worked on; this included the family home Larry built. He made sure Belinda had the kitchen of her dreams and showcased his craftsmanship. Larry went out to California and trained on how to create beveled glass items and was equally talented with stained glass.

Larry enjoyed being outdoors and going with Belinda up north in their travel trailer, creating many fond memories with their friends on these trips. A loyal Michigan sports fan, Larry cheered on his favorite teams- U of M, the Detroit Tigers, Red Wings and Lions.

In addition to his wife, Belinda, Larry is survived by his sisters, Barbara Murray, Judy (Don) McKenzie, Janet (Gordon) Payne, Susan (Don) Perry and Elaine (Don) Yuvan; brothers from other mothers, John Robinson, Howard "Huck" Harrington, Paul Scaramucci, Cliff Curtis, and David "Daba" Parker; many wonderful nieces, nephews and friends; and a special adopted niece, Shelby Warner and his loyal canine companion, Hazel, who always brighten his mood. He was preceded in death by his parents; and brothers-in-law, Richard King and Robert "Bob" Murray.

Following Larry's wishes, cremation will take place with a memorial service to be held later. Memorial contributions may be made to the Lenawee Humane Society or to Island Safe Harbor in Port Clinton, OH.

“ Dear Belinda and family: I am so sorry for the loss of your beloved Larry. Words cannot adequately express my deep, heartfelt sympathy for all of you at this difficult and sad time. Larry was a wonderful man: He had a beautiful heart, great strength and bravery toward the end of his life, so talented ,gifted and skillful with his hands in carpentry, plumbing, electrical projects and working on your home. Being together for 40 years is amazing these days. Filled with love, joy, happiness and of course sharing good and bad times, building dreams together and enjoying each others company and friendship. There are places in your heart that you will forever treasure- Larry's love and strength. There are places in your memory, you will forever remember his stories, humor and generosity. You are never alone when you have the love and support of family and friends around you. My wish for you at this time is one of peace, and comfort as you celebrate the life of Larry who you cherished and adored. God bless you Belinda. Love Marge Delossantos .

“ Larry and I met and became friends some ten years before he honored me by recruiting me as best man for his wedding with Belinda. The following 40 years have witnessed the inclusion of numerous other “best” men into their lives, be it at work or play. Us “brothers from different mothers “ have often howled with one another... and will continue to do so.

For the record, for those who were not there on his last day on earth, in the beautiful setting of his hospice room, we shared a toast with him (B assisting). Sure as he’s in Heaven, Larry shared one last “Aaooowww” with us, his friends and many brothers from different mothers. It’s how we’ve parted for years. Thanks for that, see you soon. Huckleberry

“ I knew Larry since second grade in 1964. That’s when my family moved to Dearborn, MI. We met at the East Dearborn Church of Christ (also known as Chase Road Church of Christ), where we were active in our Youth Group. We also attended Fordson High School and graduated together. He took a special interest in photography in high school and had become very good at it. My husband, Tony and I hired him to do our wedding photos and were very pleased with his work. We lost track over the years but I would see his sisters occasionally and they would catch me up on what Larry and Belinda were up to. On December 18th I heard Larry was in the hospital. I started praying that day for Larry and Belinda. Larry was one of the nicest people I ever knew. Belinda, I will keep you in my prayers in the days and weeks ahead. I’ll never forget my friend, Larry.
