“ *So sorry to hear of the passing of Lavonne. She had such spirit and loved to tell stories especially when her dog ran away to our house , she laughed because she said her dog was in good hands at the young veterinarian's house. I really enjoyed her at Alpha Omega, RIP Lavonne, Nancy Herr*

“ *So many happy memories of "La-La" fill me as i remember her humor and kindness.I feel grateful to have shared time, stories and beautiful landscapes with her both on her visits to New Mexico and at her lovely home on the "wildlife Creek" where we laughed wearing silly party favors over cocktails and delicious dinners cooked up by her daughters. I am honored to have shared those special times and will cherish and remember our laughter together forever and always, much love, "J."*

“ Susie and Shelia, I miss your mom. LaVonne was a good friend to me for years and before that she was friends with my parents for many more years. LaVonne had a dry wit and was very resourceful about practical things. Like referring me to a handy man or house cleaner. I enjoyed her stories of her young married life, schooling and jobs. And raising her family

I loved when she came in to the Country Club on Friday nights with the Royal singles. She was always wondering how my family was, how my week went, and reminding me to keep smiling. Your Mom was always so thoughtful. sorry for your families loss

“ We are sorry to read of LaVonne's passing. Unfortunately, our Methodist Church monthly gatherings at Brookdale have not be allowed to continue this past year due to Covid restrictions, but myself and others have enjoyed keeping in touch with LaVonne often through cards and devotionals. She has been in the thoughts and prayers of her church family and friends, which we now extend to those she leaves behind. With sincere sympathy, Kim Steudle
