“ To the Rose family, I am so sorry for your loss. I have very fond memories over the early years hanging out at your house, the biggest memories of that place are basketball games in the driveway, not matter the game or the format we could never beat the big guy. RIP Mr. Rose

“ Larry was a fun guy to be with - always had an interesting story, quip, or joke to tell. And he was a phenomenal card player! Even though he took a lot of my money playing poker, I had a great time with him and his sons last year in Key Largo. The best statement to be made about Larry is his children - Larry raised three fine children who turned out to be great parents and friends. And they love their dad. Larry was a good man, and I look forward to playing euchre with again him on the other side.
