“ Sandy & kids,
Want to express our deep sympathy to you in the loss of your husband & father. Lee will be missed. Glen spoke very highly of Lee when they worked together at Hydro. I understand how it is losing a father and want you kids to know you are & will be in our thoughts & prayers. Sandy, I know how much you & Lee meant to my parents and remember all the good times you had together! I know my mom would love to see you. With Myron's health the way it has been lately, it is hard to be gone very long. But know that you & your family will be in her thoughts & prayers. Please don't hesitate to call or see her or me anytime. Just call! May God's great love & peace surround you & your family this day and in the days to come. Love & prayers to all.
