“ I have many happy memories of your mom and dad taking Barb and me camping up North, having many dinners around the family table in the kitchen, walking the garden and having your dad show me all the things he was growing and when they would be ready to pick and. I loved going to the lake and fishing on the pontoon boat. Your dad was the one who taught this "city girl", as he would call me", how to bait a hook and cast! Thanks for the great times growing up Leonard. My heartfelt prayers go out to you all.##imported-begin##Mary & Nick Apone##imported-end##
