“ *One of the best memories I have of my little step sister, was when she would come to visit in the summer. We had a pond stocked with fish, Leslie and I would spend hours floating in Edd's flat bottom boat catching blue gill and flinging them of the hook so my cat Cleo would chase after the fish no matter were they landed. And we would laugh and laugh watching the cat chase after those fish. Her laugh and smile made my day. Love you Leslie. You will not be forgotten.*
