“ *Condolences to the whole family. I grew up two doors from the Weis family and spent alot of time with Mary Jo as a youngster. LoraBelle was a young wife then, and she was always so kind and loving to me. I know Pam the best as she was closest to my age and would spend time playing with Mary Jo and me. Thinking of all of you in your loss as I'm sure she leaves a big hole in your family. But knowing that she has gone home to her Lord must be so reassuring. I just found out this a.m. of LoraBelle's passing, or I surely would have come to visitation.*

“ To the entire Miller clan,  
As the note I left after the passing of your dad said, I will never, ever forget the times we had as youngsters at your house after church just about every Sunday. It was a special time with all the stories your dad would tell and then your mom straightening out the facts for your dad. They were some of the most fun times I've ever had. That may be where I learned to eat so well too.  
Thanks for including us in your lives.
