“ I just read of the death of Loren and I wanted to extend my condolences. I spoke with him once some years ago on the phone about family genealogy and found him to be quite delightful. My father was George F. Ausderau and his father was George Rinhart Ausderau and HIS father our common Swiss ancestor was Reinhard Ausderau married to Elizabeth Teller. Best wishes to my cousins.##imported-begin##kathy ausderau##imported-end##

“ *Saddened to see in the paper today of Pa's passing. I have MANY fond and happy memories of him when I was growing up in Youngstown, NY. My favorite was deer hunting season and he would borrow my sleeping bag. In return I got to have a yummy vension dinner!*

*Thoughts and prayers to all the family.*
