“ *Aunt Loretta was such a kind and gentle person. She always asked questions about my family and my ministry. I feel blessed to have had such a caring aunt*

Roxann and I are very sorry for your loss. We will be praying for peace and comfort for all of you.

“ *Loretta was a member of of the Adrian High School Class of 1945. and they are leaving us one by one. But to the family may I say, that beautiful smile in the picture is the one I remember then. I am a member of the Class of '45 and I would like to say to her family that though you are feeling sadness now, may those feelings soon be replaced by pleasant memories of the happy times, AND keep looking up and forward to that day when we will see her again, yes, I'll be there. Oh Happy Day!*

“ Although I never knew Mrs. Thompson I'm impressed by that picture of a beautiful young woman with a smiling face. I can see where you got your kindness and smile from, Joanna. Do I detect a sparkle of mischief in those eyes?

You, Joanna, are a daughter in whom she obviously instilled essential Christian values, compassion and caring to make you the wonderful person you are. I'm sure her caring love and devotion to family and the Lord gave you your solid foundation that has carried you through your life.

Larry and I wish to extend our deepest, heartfelt sympathy at your loss, but also find rejoicing with you, knowing that she is with the Lord. I know that is a great comfort to us about our loved ones, that we will see them again. What a day of celebration that will be, to see Jesus AND our loved ones gone before.

May the God of all comfort wrap His loving arms around you, Joanna, and all the family and sustain you in your loss. We send our love and prayers to you and Doug.

“ I never met her. But knew she was a beautiful person. She also has a wonderful daughter in Joanna. She is now with God.
