“ Oh Aunt Lucille, what memories! Spending the night with my cousins while growing up. The fun times we had whenever we got together. She was like a busy bee, always moving and doing something to keep up with all us kids!

Wish I could be there with you to celebrate Aunt Lucille's life. Every summer while Spence and I visited Aunt Hazel we would run down the few blocks to play. We were always greeted with open arms. What a treat that was!

As I grew older I appreciated Aunt Lucille's keen wit and looked forward to laughing with her. She left a loving memory for many. God bless her and may the peace of the Lord be with all of you.

*I sent a donation to First United Methodist Church in her memory because she was so happily at home there. Love to all.
