“ I had gotten my hair cut at Fantastic Sams the day before I was going to California. My hair was cut crooked. We were at the Moose. Lynn insisted I go the next morning at 6am to his salon so he could fix it! He didn't want me going on vacation with my hair messed up. He was a great and kind person.

“ So sorry to hear of your loss... Lynn was our classmate, a Madison High School "kid" who became, with the rest of us, just a kid again at every class reunion. Wish we could have seen more of him....will just say "see ya later Lynn". So sorry... Julie Baker Wellnitz
