“ *We lived next door to Lynwood for many years. She watched our boys grow and would always say how special they are. Her love for the outdoors was evident. Her smile brought so much joy. She lived a full life, and she will be missed.*

“ *Kerwin, so sorry for your loss. You was a good son, and your Mom was always very proud of you. Example, your organ playing will always be a reminder of how proud she was of you. i remember her showing me the organ in her home, and telling me how beautiful you played. She was always so nice to our kids, and did extra little things for them on Halloween and Christmas to make them feel special. I have so many great memories of both of your parents. They always allowed our kids to play football on their extra lot, that instilled lots of good memories with our sons and their friends, they still occasionally talk about those days. You helped your Mom to keep her independents and stay in her home until the end, which is what most elderly want. Know it is time for you to take time for yourself, and feel good, that you did the best you could for your Mom, and reflect back on all the good memories you had with her. You will be in our thoughts and Prayers in the following weeks. Take strength in your family and your faith in God.*

“ *My husband and I have two dogs that we walk daily and our route frequently included passing by Mrs. Leader's house. We would often see her in the yard mowing or picking up sticks and she would always stop to chat and take the time to compliment our dogs on how pretty and well-behaved they were. We will definitely miss seeing her on our walks.*

My condolences to the family; you will be in our thoughts and prayers.

“ *Kerwin, thinking of you all. Your mom was soooooo lucky to have had you and Mary Lou in her life. It is because of your love for and support by you both that made it possible for your mom to stay at home and live indepently. Time for all of you to rest peacefully warmed by the knowledge and faith that Lynwood is with your dad.*
