“ Peter & Catrina,
You have received an extra special guardian angel for the remainder of your days; the loss of a child is one of the most grievous occasions and may God soothe your souls as the time passes. She was with you before and she will always be with you.

“ Peter and Catrina...no amount of words will ease the ache that is within you. I simply pray that through time, the joys you know in life and the love you have for each other are a stronghold to ease the pain and fill you once again.

“ Peter and Catrina. My heart is broken for you during this time of loss. If you need an encouraging word, or someone to sit with you silently, just say the word and I will make myself available to you. I you all need a meal prepared for you, I'm not the best cook, but my wife is and she can make it and I can drive it over. Please, just say the word. In the mean time, we will be praying for you that God may comfort you during this time.
