“ *Marcy, Eric, Don, and families, Mrs. Goble (to me growing up), was always a classy and gracious individual. Her laugh is certainly one of the things I will remember the most. She was always so kind and thoughtful, and someone that we were all better for having in our lives. Cole Street will never be the same, but Heaven gained another Star. Thinking of you all, and keeping you in my prayers. DL.*

What a beautiful classy LADY. I had graduated from Siena Heights before you started working there, even before I met my husband Lorain. So glad to have not only known such a productive and gracious person but a magnificent soul. We are blessed that those of us who lost family, friends and neighbors of such inner wealth can now hold them in our pockets to bring out and enjoy once again their sweet radiance.
