“ *Donna, I did not know your Mom, but my heart goes out to you. I lost my Mom a few months ago and the loss is undescrivable. No one can ever replace our parents.*

“ *I had the greatest pleasure of caring for Margaret. She was always a light during my day and I am a better person for being her nurse. I remember the last time I saw her she looked amazing, high heels, and dressed so pretty. When you are a nurse certain patients just make the lifelong impact on you and I will always remember Margaret and her daughter. Prayers for the family and may you be filled with loving memories of Margaret during this time.*
