“ *Dearest Raymond and family.  
I just found out that Marilyn has passed, and my first thought was what an amazing caretaker you were to her Raymond! She was blessed to have a loving, caring husband to tend to her needs. You were so cute together and we will surely miss her, She was getting tired and I have no doubt you'll see her again one day. Bless you and yours while you mourn your loss. Just know we re thinking of you!

“ *Mr. Easter, We are so sorry to hear of your loss. Marilyn was a real nice lady. She always had a smile and a wave. The times I kept her company while you parked your vehicle, she was a real encouragement to me. And how she went back to school to be able to graduate and yet with her Grandchildren! Now Marilyn can rest. Even though it hurts real bad, she has no more pain. We are thinking of you and your Family.*
