“ *First, let us extend our heartfelt sympathies to Marion's family. Marion was such a positive addition to our senior center and we all feel truly blessed to have known him. He was a good friend to many and in turn had many good friends here. To say his presence in the Center will be greatly missed is truly an understatement. His absence will be noticed each and every day.##imported-begin##Marion's Adrian Senior Center Friends##imported-end##*
