“ *Marge will always have a special place in my heart. I reflect back to the fun times working with her in banking; her kind personality, her advice at that time to a young man, proofreading my work, her laughter and smiles.*

I was very fortunate to have Marge as a friend and someone to talk. I will miss all her thoughts and opinions, her cards and our telephone conversations.

I thank God that our paths crossed in life and we were able to walk down life's walkways together.

My thoughts and prayers to Marge's family. A special person.

I will miss the birthday cards she would send me with her activities. Now, on my birthday, I will not get another card but her memory and words will stay with me forever.

Bless you, Marge
