“ *What a joy to have shared time with Midge both at the church and in our homes as we wielded those knitting needles and discussed our children, the events of the day and our aches and pains. REP. Anne Gascoigne*

“ Your Mom was an amazing woman! She was so proud of all of you. I met your Mom at Siena Heights when I was getting my teaching degree a long time ago! She was so encouraging and full of laughter and life! She was still the same when my Mom was at Charlotte-Stephenson with her. She was always so positive and friendly.

May her memories bring you smiles and peace.

Midge and Oz were our neighbors for many years. They contributed so much to the friendships that were made and maintained. Not so long ago, Midge would linger to chat with us as she made her daily walks. Her friendliness and smile never changed. Such a lovely person. Our sympathy to all of her family.
