“ I am lighting this candle as a tribute to Mark's life.although I never had the pleasure of meeting him I am sure I will know him in Heaven. I would like to send my prayers and condolences to the family. Rellie Baughey Sr was my Grandfather's brother. My grandfather was Rev Donald R. Baughey Sr. From pictures I have seen of Rellie, Allen looked a lot like him. I know grandpa spoke of Rellie often so I feel like I knew him. As a matter of fact I am old enough to remember him as we called him Uncle Rellie. I had the pleasure of knowing him while he was still alive and the added photo's of him that I have made him real to me. I have left my email with the funeral home if you would like to contact me. Please do.

Love to all me family. I am so sorry for your loss.
