“ Mary and I went all through school together and shared many good times growing up. One fond memory was going to the Bohm Theater to watch the movie of Rin-Tin-Tin and as a draw to the movie, they gave away a German Shepherd pup through a drawing. Lo and behold, Mary won the puppy ( might I add I was so mad) anyway that dog named Rinny, became her dad's dog and was at the station every day!! RIP my ole friend. Sorry I am just seeing this in 2026 and not when it happened. So sorry for your loss Jim. 💔🕊️

I was so saddened to hear about Mary's passing. We spent many fun days together, too numerous to count. To this day every time I hear a Dave Clark Five song playing I think of Mary and I dancing to the music in her bedroom. Her mom and dad were so gracious to me and included me just like a member of the family. Woody took us to basketball games at WMU, weekend visits with relatives all over the state, including torch lake, which was a blast. Weekly Mary and I would pool our money and see if we had enough to put a few dollars of gasoline in her car so we could cruise around. We had many happy times together. I will always remember Mary with fond memories. She was a beautiful soul.
