“ Mom & I want to send our deepest condolences to everyone who knew & loved Grandma. I knew it was especially difficult for her to lose her eldest son, (my dad), this year. However, her sadness is now replaced with the joy of being re-united with those who've passed before her.

I remember a few year's ago, saying to her that she needed to exercise more. (And eat her vegetables) She replied, "I don't feel like it. When I die, I'm going to have them write on my tombstone: SEE, TOLD YOU I WAS SICK!"

Luv you Grandma. Don't ever change.##imported-begin##Bobby & Ligia Bemis##imported-end##
