Dear Jeri, Scott and family. My heart is deep in sadness. I was married to Mike's dad who passed away 18 years ago. Mike would call me once a month. He was such a caring and kind man. I enjoyed all our conversation. I will now cherish the memories of those conversations. He's now in heaven holding his dad and daughter. Peace Mike. You are receiving your angel wings before me. I'll miss you. Shirle

I am so sad. I was married to mikes dad Earl until he passed 18 years ago. Mike was a caring kind step son. His calls always brightened my days. I'll miss our conversations forever. I have loving memories of attending Scott's football games and kim cheering on the sidelines. I will miss you Mike but know you are in heaven reuniting with your dad and daughter. Give them both a hug from me and keep one for yourself. I loved being your step mom. God will love having you in heaven and I'll miss your caring calls. Shirle.

Jeri,

I was extremely sad to hear of Mike's passing. It has been years since we spent time together but we were best friends as teen agers and through high school. I had the privledge of introducing you two after I got to know you and your lovely parents , who I will never forget , with their southern hospitality.

I spent a lot of time with Mike and his family in my early years and enjoyed Earl and Penny. I reconnected with Mike some years back ,because Mike reached out, but we did not reengage ,as we would have liked. I frequently drive through Adrian in summers and have often thought I should stop by, but regretfully I did not. We even had a bond in both losing a child.

I wish you peace. I hope you find some happiness in what remains in life over time. I pray for Mike and for you and the family. I truly regret that we became distant and did not stay in touch to watch our families grow and share what life brought our way. Wishing you health, happiness and peace.

*With Deepest sympathy
Jack Jones*
