“ Michelle~ *I am saddened to hear of your passing. As even tho you had a heart condition, you wouldn't have known as you did live your life to it's fullest. I will always cherish the memories of you, Yvette and I hanging out and we being pregnant at each other's weddings. I wished we would of stayed in contact with each other as the years passed. Rest in Heaven. Holding your girls and family tight in my heart. Til we met again my friend... Fly High... Tonya (Vickery) Fritsch* ❤️❤️

“ Where to start... I'll miss you forever mom but you'll always be with me. You were one of the most compassionate people in the world - always thinking of everyone else in any and every moment. This world will be very different without you in it. I know you will be watching over me though. Say Hi and give a big hug to Papa, Nana, Granny, Grandpa Pawlowski, Cooper and Pepsi for me 💕

“ Sometimes life throws us curveballs. Jason, Lane, & Lexy; she was so proud of all of you. Hang in there. (Heart Sister in many ways. Many years ago, we got a bit of time to chat...boy we sure had fun talking about our doctors). Dana

"What A Friend We Have in Jesus"

*Are we weak and heavy-laden,
Cumbered with a load of care?
Precious Savior, still our refuge—
Take it to the Lord in prayer.
Do thy friends despise, forsake thee?
Take it to the Lord in prayer!
In His arms He'll take and shield thee,
Thou wilt find a solace there*
