“ *To me Millie was one of the kindest ladies I've ever me. I remember meeting her at a family reunion and she just talked with me like I had known her forever. She had a beautiful smile that when you saw her, you couldn't help but smile too. Millie, you will be missed and I will see you again someday!!* 💕🙏

“ *Dear family,*
I was saddened to hear of Millie's passing. She will forever be in our hearts and memory. That is not very comforting to you, but knowing that she is in a better place and that we will see her again someday does help. I was lucky enough to work with Millie for quite a few years until she retired. Millie and I used to say between the two of us we make one heck of a secretary! We almost always had great fun at work no matter how stressful our boss(es) made it.

Regrettably, I am unable to make it to her funeral or visitation for which I am very sorry. Please know (and I'm sure you do) that she left people and places better than she found them and to have known her was a true and rare pleasure.

May God bless you all and comfort you through this difficult time.

*Love,
Pat Padilla*

“ Aunt Millie had a great sense of humor and was always so fun to be around. I have great memories of going to the farm as a child and teenager. She's reunited with grandma, grandpa, and dad in heaven. She will be missed!❤️
