“ *Tamara,
We know how much your Mother meant to you and we are heartbroken to learn of her passing. The love and expert care you consistently provided to your Mom over the years was like a beautiful gift for her to unwrap and enjoy each day. We hope that brings you comfort in the days and weeks ahead.
Sincere condolences to the entire family.

“ My absolute favorite memory of my Grandmother was when she pretended to be the Wizard of Oz Wicked Witch. We were on a picnic at Trestle Park with my kids (Vince and Jules) who were toddlers at the time, my Uncle Todd and Grandma. When we took to kids onto the bridge to look around, Grandma went under the bridge and started saying in her best Witch voice, "I'll get you my pretty and your little dog too". My kids eyes opened wide and Todd and I screamed, "Watch out for the Flying Monkeys" and we picked up the kids and took off running. Needless to say, onlookers thought we were all crazy but it was so much fun. I will always cherish my grandmother's sense of humor and her amazing imagination! You will be greatly missed! Much Love - Heather
