

Nancy Louise Hunt

May 21, 1934 - July 26, 2020

ADRIAN—Nancy Louise Hunt, 86, of Adrian, passed away peacefully Sunday evening, July 26, 2020, at Charlotte Stephenson Manor after a long illness.

Nancy was born & raised in Sylvan Lake, MI, the only child of Donald Johnston and Louise (Longpre) Johnston. She earned her BS in Education from the University of Michigan in 1956, where she met her future husband, Phillip J. Hunt. They moved to Adrian in 1965, where they raised their seven children.

In 1974 Nancy went to work at Family Counseling & Children's Services of Lenawee County, and subsequently earned her Masters in Social Work from Case Western University to become one of the agency's Licensed Therapists. She dedicated 36 years to the community through her tireless work. It was there that she met two of her most cherished, lifelong friends, Sara Forthun and Julie Olin.

Above all else, Nancy was a devoted mother. Her love, patience, wisdom and understanding knew no bounds. She was a true matriarch, committed to ensuring her children will always be there for each other. In her 70's she fulfilled her wish to take a special trip with each of her children individually. They will miss everything about her – especially her laugh.

Nancy was very active in the community. She was a long-term member of Zonta, Civitan, and KKE. Her favorite activities were playing Bridge with two Bridge Clubs and relishing books with two book clubs for many decades. All the members of these groups were cherished, lifelong friends.

Nancy is survived by all seven of her children, each of whom was blessed to see her in her final days: David Hunt, Catherine Wright, Laura (Jeffrey) Ver Beek, Jane (Steven) Bloom, Steven Hunt, Elaine Hunt, and Kurt Hunt. Also surviving are her grandchildren, David Wright, Rebecca (Niklaus) Otto, Andrew Wright, and Louise Bloom; step-grandchildren, Deja Weiner, Adam Bloom, and Morrison Bloom; great-granddaughter, Adeline Otto; cousin (“daughter”), Barbara (Ron) Meloche; first cousin, Alana Pioter; and many other relatives and friends.

She was preceded in death by her parents; former husband, Phillip J. Hunt; daughter-in-law, Barbara Hunt; and son-in-law, Michael Wright.

Nancy’s family extends special thanks to the entire staff of Charlotte Stephenson Manor and Hospice of Lenawee for their excellent care and kindness over the past months.

Please join us in celebration and prayer in honor of Nancy Louise Hunt, dearest mother, relative and friend to so many.

A memorial service for Nancy will be held on Saturday, July 24, 2021, beginning at 2:00 p.m. in the Heritage Room at Wagley Funeral Home, Adrian. A light luncheon will be provided. Visitation follows service until 5:00 p.m.

Nancy passed away after a long illness in July 2020 during the height of the Covid-19 pandemic, unable to visit family and friends for many months. As always, she met the moment with courage and dignity. In her spirit of grace, commemoration of Nancy's life extends to all those who suffered the loss of a loved one in these unique times.

As Nancy delighted in sharing favorite books, please bring a book to exchange.

Arrangements were entrusted to the care of Wagley Funeral Home, Adrian, where online memories and condolences may be shared at www.WagleyFuneralHomes.com.

Dear Lannie, thank you for your kind words. I'm Jane, one of Nancy's daughters. I'd like to send you a few childhood photos of you and mom which you may or may not have... will connect with you soon!

Thank you so much Lannie. Our mom certainly was a special lady. I know she regretted not seeing you and Gunner (sp?) more but she had a frequent reminder of you ever time she admired the little Japanese maple you planted in her yard. She would bring that every now and then! Thanks again and stay well.

Elaine Hunt - August 09, 2020 at 02:54 AM

Thanks Lannie. I'm so grateful that she (and I) got to spend that wonderful weekend with you a while ago (ten years! My, how time flies by). It meant so much to her.

“ My thoughts and prayers are with the Hunt family, I have read the other memories that were shared and agree wholeheartedly with all the kind sentiments. Nancy was truly special. I would like to add that Nancy was a skilled social worker and family therapist. I remember smiling to myself when a couple would come into the agency for therapy, because they were stuck or appeared resistant to change. They would follow little ol Nancy down the hall, past my office, to her office expecting to sing Kumbaya Then her door would shut. I could just imagine seeing their jaw drop, when she would slowly turn toward them, slide to the front edge of her chair, look them directly in the eye and give them the "what for". Week after week they would come back. She helped countless individuals. couples and families. Nancy was very supportive of me and my career, and was a ribbon cutter for us at Fostering Solutions, The memories that I will hold tightest to, are when I think about the times when we shared laughs. Godspeed.

I read these tributes through tears of sorrow and joy. Yours gave me a big belly laugh as well, just picturing what a tough nut my mom could be! I don't know if we've ever met. I hope we get the chance some day

Laura Ver Beek - August 05, 2020 at 02:34 PM

JA

Thank you, John, for your unique perspective. Our mother was extremely committed to her clients, and I believe her career was a source of great fulfillment to her. Her laughter reached all her walks of life -- even as recently as window visits with us during Covid, when her health was quickly failing. . . still that precious laugh!!

Jane - August 05, 2020 at 06:27 PM

Thank you so much John. I also laughed when you described the unknowing couple and what they would find on the other side of the door. My mom was a feisty one - certainly no pushover. As she aged and became progressively ill, she would not stand for anyone treating her like a child and would demand to be heard and respected as the adult she was! I can't stop wondering what all her wonderful caregivers at Charlette Stephenson Manor must of thought of her ! What a hoot! My mom loved having you for a co-worker (and boss later?) and truly valued and respected you for all the great work you did/do. Tell Tina I say "hi".

“ To the Hunt family, I send you all much love and prayers. Your Mom was one in a million. She was crazy about all her kids and always welcomed any of their friends in with open arms. I always loved talking with her cause she never treated you like a kid, but a friend. I remember how much she loved watching her movies and series on PBS. We had a wonderful dog named Martini, because your Mom took her in. Your Schnauzer and her did not get along, so we took her in. I would come over to do homework with Elaine and we would always end up listening to music and singing and your Mom never told us to turn it down, well hardly ever. My your memories of her kind heart, welcoming spirit, infectious laugh and love of family and fun, fill your heart and minds every day.

Prayers, love & hugs,

Thank you, Dean. It makes me happy to know that our mother left such a wonderful impression on you, as well as many kids who came through our family's doors over the years. She was so easy to talk to about anything, without judgment, which is a gift grown-ups seldom have.

Jane - August 05, 2020 at 06:15 PM

Hi Dean! Thank you so much for all of your kind words and memories. I guess I really jumped right into the phases of grief starting with denial. I've been putting all my focus on work and school. This is the first time I've been able to bring myself to get on here. I forgot all about martini, the little cutie! My mom sure did love her PBS shows - right up to the end. It warms my heart so much to hear my friends - you, Cheryl and Kathleen, and friends of my sibs have such fond memories of our mom. She really was a special woman and I always knew I was lucky to have her for my mom. And, as an adult, my best friend.

“*Sending love to the Hunt family. Nancy nurtured all she encountered. She took me in as Elaine's best friend & nurtured me as if I were her own. In elementary, middle school & High school she supported me. At our 25th High School Reunion she welcomed me when I visited from Germany. I was always one of the family. She always had room for one more. She was the matriarch who loved her family beyond words & welcomed all who loved them too. I am blessed to have been loved by her & will always hold her dear to my heart. Sending love & hugs to her beautiful family. Her love will always remain with me. ❤️ Cheryl*

“ *All of you, Nancy's Children, have been so loved by your Mom and our dear friend Nancy. She has spoken of you so lovingly so many times over the years we have known her through our book club days and also as neighbors so many years ago on East Front Street. It must give you a very warm feeling to reflect on the care and love that she has shared with you these many years. What a delight it has been to have been a friend through these years. Our trips to Pentwater were especially memorable as our book club members gathered for our annual Lake Michigan escape to discuss another of the many books we have shared through the years. We always enjoyed your Mom's pithy and caring comments. God speed to you all.*

Dear Peter and Ann, I'm so humbled by your words. Yes, in time, it will give me a very warm feeling indeed to reflect on Mom's care and love... at the moment, however, it's mostly grief and sadness. Our relationship was untouchable. I know my siblings feel the same way. The silver lining in the timing of her death is that we'll all be ready to celebrate her life with utter joy next Spring!! Looking forward to seeing you then! Thank you for your beautiful sentiments. I hope all is well with you and the "kids", whom I remember with great fondness.

“ When Nancy and I first met at FCCS in 1979, we shared many family names (my maiden name is Hunt) and a lifelong friendship of over 40 years began. We shared many fun activities outside of work like antiquing, historic home tours, movies, books and long conversations on all topics. Our shared book club was always a favorite. We also shared many experiences at work , some of them very fulfilling and some tragic. Nancy was the most caring, empathetic and compassionate social worker I've ever known. Her whole life was about love; love for her children, extended family and, luckily for me, her friends and community. Nancy provided my husband and me a second home where we always felt welcomed. She will be greatly missed by everyone who knew her.

Dear Sara, thank you for reminding me that not only did my mom have a wonderful, fulfilling life, no life was more meaningful-- what else makes a life meaningful but infinite love? That's what she was about, day in, day out. Her time with you and Jerry was sacrosanct. If I called when you were expected to arrive soon, she'd say with such excitement, "I can't talk now -- Sara and Jerry are coming!" She absolutely loved sharing her home with you. And in more recent years, you helped her so much by being there. I look forward to seeing you in the Spring, when we can celebrate her life together.

Hunt children, your mother was amazing. I knew her from the time I started working at Family Counseling some 33 yrs ago. We became friends as well as co-workers, and my Supervisor. We shared our book club as couples and your mom, all of these years. We last met for book discussion at “her place”...in February. Tom and I have always admired your mother’s strength and abilities and her strong bond with all of you. She set a very high mark for her ability to give to others with compassion and wisdom. We shared laughter and tears over these years that have passed so quickly. My heart aches for her now. May your laughter over shared memories outweigh your tears as you have gathered together in these final days. Thoughts of all of you at this sad time. Pat & Tom Housekeeper
