“ *So sad to hear this news about Nathan. Nathan worked for me when I was the Executive Director for the Grand Court Adrian many years ago. He was such a dedicated employee, one who truly cared about the residents and took ownership of his position of Maintenance supervisor. I had peace of mind knowing he was in charge of the safety and condition of the entire building, The residents and staff , my kids and I always enjoyed his humor, and his big heart and his bushy beard too ! He had nicknames for my kids and when he called my daughter sunshine she would light up and smile, he had a way of making so many people feel special. He was the one who would always make me smile when I was having a bad day. I always loved his Elvis expressions > Thank you, Thank you ,Thank you very much ! Heaven will enjoy you Nathan but I know you will be truly missed here on earth by so many. God Bless you, RIP Nathan <3*

“ A week ago today I lost my one true love and every night as I say my prayers I light a candle and as the soft warm glow begins to encircle me, I feel your big strong arms wrap around me, this is not good bye as I know when god calls me you will be waiting right there for me, so I will see you again one day but for now I feel some peace knowing you are but a thought away! I want to also take this time to say to your family, now my family that I could not begin to get through this without you. He has been truly blessed to call you family. I love you forever!

“ Nate and I graduated together, rode bikes early on, drove our vans around, grew up together and worked at Lenawee Stamping together for a short time. During those days we enjoyed life to the fullest. He was always a good guy to be around - you will be missed bro - may you give the same to others in another way. RIP

“ To the entire Hawkins family: The many memories of childhood with all of you at our house and yours; our parents playing cards and drinking coffee. Losing our parents and siblings is the tough phase of our lives. May you find peace in all of your hearts during this difficult time. My thoughts are with you.
