“ *If only we could see the splendour of the land
To which our loved ones are called from you and me
We'd understand
If only we could hear the welcome they receive
From old familiar voices all so dear
We would not grieve
If only we could know the reason why they went
We'd smile and wipe away the tears that flow
And wait content.

“ I have known nathan since we were kids, and he used to be one of my closest friends and over the years we lost touch. I cant remember a ime when nathan didnt make me laugh, and he was always the life of the party. Its so sad what happened to him, ad a shame that he was taken so soon from the people who loved him. I will always have fond memories of my friend, RIP Nathan R Vance. Heaven has gained a new angel.

“ *I have a couple good memories, one is a funny one. I have known Nathan since middle school and when he got with my other friend jenny from Blissfield school, they came over to my apartment a lot at maple village. One night I had a little party and not sure to this day who did it but, someone poop in my chair down stairs thinking it was a toilet. Miss Jenny or him would admit to it I love that memory. Another fund memory is when I moved to Morenci and they would come out Nathan, would play with my son Logan, on video games and just sit down like a kid and play with him. Nathan was a great friend and even though like most friends after school we lost touch a little but when we seen each other we would talk about things going on in our lives. Nathan was a great guy and it sad's me to see him gone so early in age.*
