“ *Nina was the sweetest lady, working that switchboard, you could always ask her anything...especially when arriving to Siena, clueless of College life, willing to help everyone...our extended Grandmother, her sweet voice paging or giving announcements daily...keeping us all informed. Great Memories. My thoughts and Prayers to her family. I personally knew several operators from General Telephone, whom passed before her. Heaven has another angel. Rest In Peace .*

“ I remember Nina from my days as a student at Siena. I saved one message in particular that she took for me from my mother on October 4, 1977, my sophomore year. "Your mother called. You have a new baby brother. Signed N.T." I ran across that note and I treasure it. Nina was so sweet.

“ What a delightful woman. She was our “connection to the outside world” via letting us know when we had phone calls at Siena Heights University. Such a sweet woman
