“ *This was my Aunt Nonie and believe it or not, I never got to meet her. My father was her only sibling. I did talk to her over the phone when I got the news about my father's death. I was estranged from my father, William Gaul but my mother always had such nice things to say about my Aunt Nonie. I had good intentions to visit her but never did. I wish I had. I just found out about her death when I joined Ancestry.com today. I am so very, very sorry Uncle Glen. I lost my husband in 2012 and I know what you are going through. All my Love!
