“ *Our family is keeping your family in our thoughts on the passing of you mother.. It was our pleasure to to work with her as a fellow teacher in the Adrian School System. She was a very dedicated teacher. Praying that you'll find comfort in your memories of her and in the knowledge that others are missing her, too.*

“ *Pat and I have been friends for many years. Our husbands were friends for many years and that is how I met Pat about 60 years ago. We traveled together to many LST conventions and once a week the 4 of us would go out to dinner together. She will be greatly missed as she was a very special friend to me. My condolences to the family in this sorrowful time.*

“ When my mother passed, (Eleanor Puckett and Pat's sister) Pat was a welcome ray of light in her home during a very difficult time. I remember going through my mother's things in her family room in Beaumont Texas where she lived. Pat was sitting in one the arm chairs helping us tie each item to my mother with special perspective that only a sister could provide. I did not get to see my aunt often, but for her help when my mother passed I will be eternally grateful. Death is a part of life. My condolences to my cousins and there families. My God watch over Pat and her soul rest in Peace.
