“ Trisha was a gift to the Henderson/Swanson family. She was part of the village that helped raise Matthew, our son with Down Syndrome. Sure their both raising “hell” in Heaven. “I can only Imagine”.....

“ Oh my lord where do I begin...Patricia or "Patty" to me, was so much fun to be around in school, play grounds, games, sponge weeks and bus rides. Never a dull moment with her :)

*I had no idea you were ill until Pam Pence started a messenger thread for your classmates (Class of '89) regarding a taco dinner in May. It's still on my calendars and plan to be there to show my support and have a few laughs with ya. You're gone way too soon like many others from our graduating class. Fly high and watch over the rest of us!*

*Prayers of strength for your family along with my heartfelt condolences.*
