“ *I have known Pat for many years. I played against her and with her in summer softball leagues in the tri-city area. She spent so much time hanging out with the Dupuis family that she became an honorary member. She went to Hawaii with us in 2005 and we golfed on the Big Island.*

Any time I came back to Saginaw to vacation in the summer time, we always got together for a round or two of golf. I could never figure out how at every hole, she had one less stroke than I did? (Guess it was a good thing that she was a P.E. Teacher and not a Math Teacher!!!). I had to get one last tease in Teter...You always took my ribbing with a smile or a laugh. RIP Pat. You will be missed.

“ Ms. Teter was a fun and energetic gym teacher with a good sense of humor which was great, I can remember when we were golfing in gym class and the golf club slipped out of my hands when I tried doing the Happy Gilmour golf swing and took out a light in the ceiling or when we were shooting bows in the gym class and I shot on in the ceiling, I know she wanted to send me down to the office but instead she told me to sit on my hands and not to touch anything. She was one of the fun teachers at AHHS..

“ I had her for gym class, just when you thought we were going to do regular exercises she would take us out to shoot bow and arrow just out side to run the track. Always there to help a person to improve.
RIP

“ I remember Patty and her family from when I was 10-13 years old in Adrian. We rented an apartment up stairs from her parents Jake and Ilia. My brother Billy and I played with her and Larry often. She was a competitor and I remember her she was a very nice person. My heart feels a sadness knowing she has passed and I only live 30 minutes from where she lived. Fond memories of a very nice family.

“ Coach Teater helped me become a college softball player. She was tough on us but always had a joke waiting in the wings. I can remember many days when it was cold in the early months of the season where she would send us outside anyways. Rest In Peace coach!

“Gym class was my favorite class. Ms. Teter had so many awesome things for us to do. Kick boxing, obstacle courses, regular sports, weights, flag football. You name it she had us doing it and I loved every minute of it! She really cared for us and was able to be cool with us as well as keeping the line of respect there. So MANY GOOD MEMORIES of her and her class. Rest In Peace Ms. Teter

Pat, was a cousin that was always fun to be around as we were growing up. So sorry to hear of her death as the last time I saw her was when her Mom passed away. Thoughts and prayers to all her friends and ones that knew her. Marlene

Pat was my cousin who, unfortunately, I only knew from when we were young and growing up in Adrian. As we got older, we all went our separate ways and I ended up in a different state, so I never saw her after that. But I will always remember her and the fun we had as children. I send my thoughts and prayers to all those who knew her and miss her.
