“ My heart is broken for all of you! I will forever cherish the memories over the years with Pat and Barb. From all the weekends with Joel and I hanging out together at there house. How Pat was always the life of the party and would make us laugh so hard. His amazing cheesecake and homemade biscuits and gravy. Our wedding in Vegas living it up that we post poned our wedding by one day. Writing on my wedding shoes and telling me my wedding certificate was only good for a year. And yes I believed him.. I remember New Years and Pat setting off fireworks, some could have broken the neighbors windows and when the police came we all hid. Pat was my by my side to help me deliver my Zach. Pat was always there for me when I needed to talk. He was there for me the next early morning when Joel passed and by my side through out it all. He was like a Father to Markice, Terrell and Autumn. Pat would welcome anyone and give you anything he had. He was loved by many. I love you brother and so thankful for all the memories. Barb and family I love you all always. Keeping you in prayers. Wishing I could be there to hug you!

“ My thoughts and prayers are going out to all of you. Pat sure will be missed. I remember how excited he was when anyone asked for his coconut cake or cheese cake! He loved to share his creations and they were sooo good. I love Pat for his family ways, he was always there for everyone and always had a kind word. We lost a good man and heaven gained an angel with his passing. I was blessed to be a part of this family for a short time and always felt welcomed and loved. Thank you for that and all that you did for me. I love you all.
