“ *Paul was strong in His battle against the pain and suffering of Cancer for many years. Winning a couple of the battles . I knew Paul thru our mutual reading of the Daily Bread Devotional . I felt honored to continue to supply an updated copy of that to Him. He and I had talked in the past of His seeking the truth and I hope He was comforted by reading Bible verses for strength! Now He rests with NO pain and suffering! Be Blessed Family and friends He is fine.*

Paul always reminded me the day I was in York an my wife was due with our first son any day. Paul commented "get the hell back to Jersey to Marti !For year's he would always bring up that story. Today Jason is 42 with children of his own. Paul's daughter, son-in law an grandchildren were an still are his shining light. We know how hard he fought off his cancer over the years and fought the battle till the end courageously. Paul was one of a kind ,a true friend who will always be remembered. Rest In Peace friend.
