“ Aunt Pearl was such a giving person! I had the privilege to live in their basement apartment as a young single adult to help care for the ladies living in their adult foster care. I never felt uncared for and loved living there. I also remember many late nights of enjoying time at their home as a child while the adults played cards! May baskets were another fun tradition between our families.

Cousins, you are loved and being prayed for as you mourn the loss of mom. May you have peace and comfort as you remember the good times with her and the peace and joy she is enjoying with her Lord today!

Love you all,
Deb
